

Blackwell Elementary

Relay for Life is an all night long event held on May 7th, at Jim Miller Park to support cancer survivors and those battling cancer today. Did you know that 100% of Cobb Schools have a Relay for Life team to support the American Cancer Society? Cobb County is the 4th largest Relay for Life in the Country! Please help Team Blackwell support the ACS and the fight to find a cure by purchasing a t-shirt. Our Blackwell family has been affected by cancer in all forms. Many of our children, parents, staff, families of staff, and other loved ones are fighting this terrible disease daily. We also have many survivors to celebrate! To participate with us, or for more information please contact Jennifer Stevenson, Team Captain, at jennifer.stevenson@cobbk12.org. All proceeds for the above shirt will go to the American Cancer Society. (T-shirt design will be in color). T-shirts are \$13.00 for youth to adult XL, \$15.00 for 2XL and up. Checks should be made out to Blackwell Elementary. *All orders are due by Thursday, April 29th.*
